

2020 Ca'Momi Sauvignon Blanc Napa Valley

The name Ca' Momi honors our roots. Our property in Veneto, Italy once belonged to Momi dea Bionda, a hardworking farmer who became a local legend for his obsessive devotion to his family, farm and vineyards. We share Momi's values of authenticity, passion, loyalty, dedication and obsession with quality. We chose to pay homage to his legacy in the name of our Napa Valley winery. We proudly share our Italian heritage, and strive each day to honor these values within ourselves, in how we do business and how we make wine. The 2020 harvest offered ideal growing conditions for steady fruit development that resulted from a cooling off period after a warmer start in Napa Valley. Our Sauvignon Blanc has aromas of white peach, tropical fruit, melon and pineapple. In the mouth, flavors of ripe melon, citrus and a touch of minerality are apparent. This crisp, fresh wine is fermented in stainless steel tanks which give it medium acidity, intensity, and a clean finish. Pair with seafood, chicken, and salads.

The project of Bodegas Volver was founded in 2004 by Rafael Cañizares, enologist through studies and viticulturist through his family tradition of four generations bound to the vine and wine. 2019 August Briggs Charbono Frediani Vineyard, Napa Valley

August Briggs Winery is an owner-managed craft producer of small lot and sustainably produced wines showcasing some of Napa and Sonoma's premier vineyards focused on a restrained winemaking philosophy that highlights wines of provenance, not pretense. When you come visit us, it is likely you will meet with one of our welcoming owners, Matt and Colette, who live by their hands-on management style, 'You get back what you put in'.
